## \* Holiday \*\*\*Closure\*\*

The Fourth of July (Independence Day):

**We will be closed on Thursday, July 4 and Friday, July 5.**

We will reopen Monday, July 8 at 7:00am. We hope that you have a safe and fun Fourth of July!

## Clip those Box Tops!

Have you heard? GLCDC is participating in the Box Tops for Education program. Look for box tops on products you already buy. Cut them out and bring them to school — we will do the rest!

Box Tops are worth 10 cents each. GLCDC can earn cash to benefit the school. It's an easy way to get free stuff, so please clip your box tops! You can download a product list at [www.boxtops4education.com](http://www.boxtops4education.com)

We have begun a new Box Top contest for the remainder of 2013! As a school, our goal will be to reach 5,000 Box Tops by the end of the year. You can help us reach our goal by bringing in all of your box tops to your child's classroom. You can track our progress with us by watching the Box Top chart on the Welcome board by the front door. Just a friendly remind, we are **not** participating in the Campbell Soup label program. Thank you for your continued support with the Box Tops for Education program!

Miss Rebecca says, "Be safe at the fireworks!"

## Exciting News!!!

Now that we have finally begun settling into our new home, we have exciting news! Due to the fact that the play yard has sidewalks, we can finally use the beautiful tricycles that we have! However, safety must come first, so if you would like your child to be able ride a tricycle during their outside time you will need to provide them with a helmet. You can choose to either bring it in and take it home each day or you may leave it here for them. Also, please remember to clearly label their helmet. Thanks and happy riding!

## **Thanks Again!!**

Our move would not have been as successful as it was without all of our wonderful parent's support! We continue to appreciate your patience as we finalize our transition to our new building. We hope you love it as much as we do!

## Rams Club summer fun

Our school-age students, known as The Rams Club, will have special activities throughout the summer.

Rams Club includes school-age students who have graduated from Kindergarten, and older.

A calendar of events will be sent home with the Rams Club children. Activities are designed to be low-cost and FUN! There will also be a calendar of events for August — look for it in the next newsletter.

## Sunscreen reminder

Just a reminder that teachers can only apply sunscreen to your child if you **provide it and** fill out a permission slip. Make sure you bring in sunscreen for your child along with their name written on the container. Also, you must put on the first application of sunscreen before drop-off. Teachers will reapply sunscreen in the afternoon based on which children have completed permission slips and sunscreen.

## Vacation notices, sick day calls needed

Please let us know as soon as you plan a vacation. The employee schedule is made every Thursday for the following week. We base the schedule on the number of children expected in each classroom.

Also, please call if you are keeping your child home due to illness. Thank you!

*“The only person you are destined to become is the person you decide to be”  
~ Ralph Waldo Emerson*

Some of us dream to be a doctor, an actor, or the President of the United States. Any of that is possible when you put your mind to it. Always encourage your children, your family, your friends, and yourself to follow your dreams. Life is a wonderful gift. Know that you have the opportunity to do with it whatever you want, and then go for it!
