Children need to have athletic shoes with socks every day. Flip-flops, Crocs and sandals are not safe footwear for playing outside.

If you want your child to wear sunscreen, make sure to fill out the Sunscreen Permission form and turn it into the office with your child's sunscreen. The form is available on our website under "Forms" or pick one up from the office! Please put the form and the sunscreen into a Ziploc bag.

Please apply the first coat of sunscreen before dropping off your child in the morning. Teachers only apply sunscreen in the afternoon.

FYI: If your child(rens) schedule has changed for the summer, please contact the office as soon as possible so adjustments can be made as soon as possible.

PLEASE, Send
 **Water bottles**

Please bring in a water bottle with your child's name on it for your child to have inside and outside with them. We are not using the drinking fountain other than to fill the water bottles. Either a reusable water bottle or a new throw away bottle will be fine. It is important to either send a fresh bottle daily, or to take the used one home to clean it every evening in order to keep it bacteria free. — Thank You in advance.

FYI

A Reminder that breakfast will be only served until 8:30am.. If your child arrives after that time, breakfast food can be given at snack time. However. This excludes the Infant and Early Toddles classrooms.
