New Fees for 2024

Our new school year officially starts on Monday, Sept. 9th. As announced in August, our daily fee will be increasing by \$3 per day for the weekly cost and \$10 a day for the daily cost. This rate increase takes effect on Monday, Sept. 9th, and will be reflected in your new fee contract. Parents will be asked to sign a new contract fee.

Beginning on Sept. 9th you will be charged for every day listed on your child's fee contract. Billing statements will be based on the fee contracts. **If your child does not attend on a scheduled day, you will still be charged for that day.** It will be your responsibility to fill in earned vacation days ahead of a planned absence. If you do not have earned vacation days, you will be charged for a scheduled day even if your child is sick on that day. Fiscal year runs from September through August.

Please let us know 2 weeks in advance for vacation days. We understand things happen and you may have to give short notice.

Thank You

We are excited for a great new school year!
